Resettlement Colony (on the Northwest Delhi border, 7 km. from Mundka). The Kutumb Foundation is dedicated to promoting the total development of the individual by way of building language skills, bridging developmental gaps, and addressing issues of identity; this process of exposure is accomplished through theatre and football, among other creative methods. ## ANNUAL HIGHLIGHTS

April 2015: Kutumb inaugurated our Qissagadh Active Library and Qissebaaz Book Club in Kotla Mubarakpur: featuring 2,500 + titles in English and Hindi and 120 members, the library serves as a safe space for Indradhanush students to conduct research, create and engage in storytelling

The Mirror Theatre Group performed Tigdam at the theatre carnival, Centerstage in Epicentre, Gurgaon. Music was provided by Kutumb's band, Manchale.

Kutumb held our annual graduation ceremony for the students of our Indradhanush programme's English, Hindi and Maths batches.

"Teaching doesn't mean that we only teach and spread knowledge; we mostly learned from our children while teaching. I have 3 years of experience of teaching in Kutumb. This entire year of teaching experience was brilliant. I really enjoyed my time with small kids. I treat them as a teacher, as a good friend, as a sister...All of my children love to attend the Kutumb English classes. I saw interest in their eyes which they not felt in their schools. –Sangeeta, Basic English Teacher, Indradhanush, Nizamuddin

May 2015: Kutumb's Under-9 team took 2<sup>nd</sup> place in the Delhi Youth League and our Under-11 and Under-13 teams both took 3<sup>rd</sup> place in their divisions. Our teams played against teams from Embassy and International Schools over the course of 22 Sundays. Our teams were made up of Goal of Life participants and coached by our peer coaches.

Manchale performed at the May Day Book Store and Cafe as well as the Children's Oncology Ward at Medanta Hospital in Gurgaon.

June and July 2015:

During the summer, Goal of Life practices in Ghevra begin at 6 am, three times a week. All participants are divided into a Junior and Senior batch and practice on the open ground across from our Qissagadh Computer Centre.

In July we began the next batch of Indradhanush classes. We have over 100 young people participating in the batches, across three locations with a total of 14 peer teachers. Teachers were trained in a month long course by our coordinator, Sara.

August 2015: Hilley-ley 2015: Ramleela has been a resounding success! Both performances played out to packed audiences. The play, written by Rakesh, was directed by peer leaders Mohit Pandey and Sumit Rawat; it was the culmination of months of hard work on the part of the young people of Kutumb.

“Kutumb Foundation works towards quality education and equal opportunities for poor children. Kutumb mainly works with students who are interested in areas like sport, dance, drama, music etc. and to continue their further study together with knowledge, skills and confidence. I think education is a very important tool for everyone to succeed in life. My happiest day in Kutumb was when one student came to thank me because his English helped him get a job. And one girl didn't read and write properly Hindi and English but after joining this course she improved her Hindi reading and is showing improvement in English. Kutumb has some processes for imparting value and skill to children through subjects like English, Hindi, Math and Computer etc. Children learn better when there aren't boundaries and knowledge flows freely.” –Geeta, Indradhanush English and Hindi teacher, Ghevra
